Dear Karen:

Thank you for letting us know that our letter with a list of items we are requesting has been received.

Any date during December or January that is convenient for you to deliver the items to Carbondale would be OK for us.

Give us about a week's notice of a date that would be convenient for you, and we will phone you immediately to confirm that that date is good for us.

We will, in addition, have at least two people available here to unload when the items are delivered to Carbondale. We are located in Carbondale City Hall and the delivery vehicle can park directly in front of the building for the unloading process. Here is our physical address:

Carbondale Historical Society and Museum
Carbondale City Hall, third floor
One North Main Street
Carbondale, PA 18407

We are very excited about adding to our collection the many items that are being deaccessioned from your collection.

Sincerely,

S. Robert Powell, President
Carbondale Historical Society and Museum

to me

Dear S. Robert,

I have received your letter with all the items you are requesting to be transferred to Carbondale. I will begin to gather the items and pack them for travel. Since there are a lot of items it will take some time to pack. While I get the items ready, can you please let me know what dates in December and January would be okay for HSMC to deliver the items to Carbondale?

Please note, since it is a lot of items, I will likely need at least one person from Carbondale (or more if available) to help unload once we arrive at your Historical Society.

Thank you,

Karen Ploch
